

Project 1 Rubric

✍️ **Describe** the strategies you used to get to know the students in your class.

Evaluate the usefulness of the strategies to you. How effective have they been?

What will be your **next steps** in getting to know **ALL** the students in the class better?

✍️ Write a **summary** of what you have learned about **all the students** in your classroom, from using the strategies you chose.

✍️ **Discuss** what you have learned through this project, and how it might affect **your teaching** and the **students' learning**.

Additional factors:

- ♣️ Length – 3-4 pages, double spaced
- ♣️ Connection to readings – explicit, citation
- ♣️ General legibility and organization: proof-reading, errors that interfere with meaning
- ♣️ Evidence for assertions; lack of unsubstantiated evaluative statements or judgments (“convey respect”)
- ♣️ Avoid identifying info
