

KIDPIX ASSIGNMENT OVERVIEW

In this assignment you will create a KidPix slideshow. The slideshow will be an animated children's storybook. You will need to create each page of the story, bring each page into the slideshow maker and then export as a QuickTime movie.

Your presentation must contain AT LEAST these elements:

1. **Self-Drawn pictures.**
2. **Text to tell the story.**
3. **Audio elements (noise or narration).**
4. **Uploaded to website.**
